Course Code	

Course Summary

Join us to learn how to prepare and cook delicious homemade food from around the world at the Welcome Café. This includes basic food hygiene, cooking, customer service and giving them the right skills to build confidence, reduce isolation and become more employable. This course will provide you with valuable experience to gain employment in the hospitality sector or to set up your own business. Courses will run at the David Hockney Building. For more information, please email community@bradfordcollege.ac.uk

What You Will Learn

Create easy yet delicious plant-based meals with our part-time community course. Learn how to cook using dairy-free products to create healthy and nutritious vegan food. Ideal for those with some knowledge and experience of plant-based cookery: this course will help to build on skills and improve confidence in the world of vegan cookery.

Modules

Entry Requirements

There are no entry requirements for this course apart from an interest in the subject and the ability to commit to positive behaviours and attendance. You will have a 1-1 meeting with a member of our team to ensure this is the right course for you.
